Special Treats and Add-On's

Pupsicles – Made in house, have your pup's choice of either chicken or beef broth (all-natural and organic) frozen into an ice cube that will keep them licking their lips on those hot days or just for fun after a long walk.

\$.75 each

Peanut Butter Kong® – Hollow chew toy drizzled with all-natural, organic peanut butter and stuffed with a hidden treat. Designed to keep your pup happy and occupied as they wind down at the end of a long day in the Bark Park!

\$2.00 each

Wet Noses® Biscuits – Made solely from all-natural, certified organic ingredients these biscuits are a great, healthy way to reward your pup even when you're away. Just a handful will keep your pup feeling special all day long!

\$.50 for 3

Frozen Yogurt – Yöghund! A year round treat for pups of all ages and sizes. All natural, organic, pup-friendly ingredients make this a great way to end the day or take a break. Your pup will love to lick this treat to the bottom of the pint!

Comes in two flavors Banana & Peanut Butter or Blueberry & Vanilla Bean.

\$3.50 each

10 Minute Stroll – If your pup can't sleep without his last walk of the night, even after a long day at the bark park, this might be the ultimate treat! Try a solo 10 minute walk to soothe your pup with new sights and smells.

\$5.00 each

Dry Bath – Shake off the dirt and grime of a long play day with Dry Dog Instant Clean. This all-natural, eco-friendly dry bath will get your pups coat back in shape and smelling lovely after a long dog day in the Bark Park.

\$3.50 each

Solo Play Time – While we try, we can't be everywhere at once. If you think your pup might need a break from their friends for some special one-on-one time, let us know! For 15 minutes, we can be all theirs for that special game they like to play in a private room or our outdoor space.

\$5.00 each

Doggie Massage – Perfect for seniors but loved by all ages, our professional dog masseuse can work out those hips, joints and knots before or after a long play day. A great way to get your pup some one on one attention and leave them feeling calm and relaxed all day or night long! 20 minute session
